
SCHOOL IMPROVEMENT PLAN

2006-2007

School Name: 1281 - Cypress Elementary School

FeederPattern: Southwest Miami Senior

Region: Regional Center V

District: 13 - Miami-Dade

Principal: Faye Haynes

Superintendent: Rudolph F. Crew, Ed.D.

SCHOOL IMPROVEMENT PLAN EXECUTIVE SUMMARY

Cypress Elementary School

Cypress Elementary School has a multicultural population consisting of PreKindergarten-5th grade within a suburban community of single-family homes in southwestern Miami-Dade County. We serve a student population comprised of 81.9 percent Hispanic, 15.3 percent White Non-Hispanic, 2.6 percent other. Fifty-three percent of our students qualify for free or reduced lunch. Special programs housed at Cypress Elementary include two Varying Exceptionalities units, Special Education (SPED) Inclusion model in grades 3-5, Academic Excellence Program (AEP) and two part-time Gifted units.

Given instruction using the Sunshine State Standards, students in grades three through five will increase or maintain their reading skills as evidenced by 82 percent of students scoring at achievement level 3 or higher.

Given instruction using the Sunshine State Standards, students in grades three through five will maintain or increase their mathematics skills on the 2007 FCAT Mathematics test as evidenced by 82 percent of students scoring at achievement Level 3 or above.

Given instruction using the Sunshine State Standards, 85 percent of the Cypress Elementary fourth grade students will score at the mastery level of 3.5 on the 2007 administration of the FCAT Writing+ Test.

Given instruction using the Science Sunshine State Standards, 50 percent of the students will score at Level 3 or above on the 2007 FCAT Science test.

Cypress Elementary will maintain or increase the number of volunteer hours documented by school volunteers as evidenced by 2006-2007 Volunteer Log Sheets and qualifying for the Golden Volunteer Award for 2006-2007.

Given the impact that appropriate discipline and safety have on student achievement, Cypress Elementary will decrease the percent of 2006-2007 indoor/outdoor suspensions to .62 percent.

Given school wide emphasis on technology and project-based learning, each grade level will use long range plans, integrated with technology, to complete four project-based learning units per grade level as documented by the teachers' Project Completion Log.

Given a societal emphasis on the importance of good health and fitness, Cypress Elementary will increase the percentage of students eating free breakfast to 31 percent during the 2006-2007 school year as evidenced by statistics from the Cafeteria Managers' Yearly Participation Report # T0960850.

Given the emphasis in providing opportunities for growth in creative and critical thinking, Cypress Elementary will increase to 35 percent the percentage of eligible students participating in extracurricular activities as evidenced by 2006-2007 club participation rosters.

Cypress Elementary will improve its ranking on the Florida Department of Education ROI index publication from the 42nd percentile in 2004-2005 to the 46th percentile on the next publication of the index.

Planned strategies to achieve our stated goals include: increasing parental involvement, providing in-school and afterschool tutoring opportunities for at-risk students and Limited English Proficient students (LEP), providing support to parents in understanding the Florida Comprehensive Achievement Test, continue implementing web-based programs to increase student achievement. Additional strategies include continuing to offer a developmental counseling program that includes peer mediation /conflict resolution techniques, study skills development, character education and offering parents the expertise of the Child Study Team for initiating psychological referrals.

Based on the results of the Organizational Performance Improvement Snapshot(OPIS) survey, the area most deficient (4.0) was the lack of staff understanding and knowledge of the basic financial operation of the school site. The second area of deficiency, with an overall score of 4.3, was the ability of teachers to make decisions to solve problems for their customers.

The administration will provide inservice in the area of school finances and fiscal management to better assist the staff in making resource allocation decisions.

MIAMI-DADE COUNTY PUBLIC SCHOOLS

VISION

We are committed to provide educational excellence for all.

MISSION

We provide the highest quality education so that all of our students are empowered to lead productive and fulfilling lives as lifelong learners and responsible citizens.

CORE VALUES

Excellence

We pursue the highest standards in academic achievement and organizational performance.

Integrity

We build positive relationships through honesty, respect and compassion, which enhance the self-esteem, safety, and well-being of our students, families and staff.

Equity

We foster an environment that serves all students and aspires to eliminate the achievement gap.

Citizenship

We honor the diversity of our community by working as a team to ensure the educational success of all of our students and recognize that our obligations go beyond our professional responsibilities to promote democratic principles.

Cypress Elementary School

VISION

Cypress Elementary School is committed to achieving academic excellence by enhancing all children's natural interest in learning through exploration, motivation, manipulation and application. In cooperation with our parents and community, we will provide the academic atmosphere where students can acquire the knowledge and experience needed to become responsible and caring family members as well as productive citizens in the multicultural and technological society of the 21st century.

MISSION

Cypress Elementary School provides our students and community with a standards based curriculum through state of the art pedagogy infused with technology. We encourage students' academic and social growth in pursuit of becoming life-long learners and productive citizens.

CORE VALUES

The staff, students and community of Cypress Elementary hold the following beliefs as the framework for our school: We are dedicated to quality; we believe that we should be, for all those involved, a place of realized potential. We believe that our responsibility is to our students, to our employees and to the community and the society we serve.

School Demographics

Cypress Elementary School has a multicultural population consisting of PreKindergarten-5th grade within a suburban community of single-family homes in southwestern Miami-Dade County. We serve a student population comprised of 81.9 percent Hispanic, 15.3 percent White Non-Hispanic, 2.6 percent other . Fifty-three percent of our students qualify for free or reduced lunch. Special programs housed at Cypress Elementary include two Varying Exceptionalities units and two part-time Gifted units.

The administration, faculty and staff at Cypress Elementary are representative of the ethnic, racial and cultural diversity of our district and school as 57 percent of the faculty are of Hispanic origin, 20 percent are African-American, and 24 percent are White non-Hispanic according to published data in the District published "School Profiles." Cypress Elementary has an instructional staff with an average of 15 years of teaching experience in Florida with 6.2 percent of the faculty comprised of beginning teachers. Professional development is a primary focus at Cypress Elementary. Based on available data, 43 percent have obtained Masters degrees, 9 percent have received Specialists degrees, 3 percent received Doctoral degrees and 9 percent are Nationally Board Certified.

School Foundation

Leadership:

The staff survey completed September 2006 indicated a positive 100 percent of the scores were rated 4 or above. An overall composite score of 4.8 in the area of leadership was received . Question 1c: "My supervisor creates a work environment that helps me do my job" further illustrates the staff's approval and support of the school site leadership team.

The staff understands the school's mission and operates within the value system embodied in the M-DCPS, to provide an environment that encourages optimum social and academic growth for our students.

This positive work environment welcomes participation and input from all members of the staff for a model of continuous improvement in all areas of the daily operation of the school site.

District Strategic Planning Alignment:

Cypress Elementary operates within the scope of the Continuous Improvement Model for all strategic planning objectives. The constant focus, on the mission of our school, encourages a targeted approach to all aspects of this planning process. The survey completed by staff, further documents and supports this model with an overall score of 4.6 in the area of Strategic Planning. Members of the school community feel empowered to share ideas for the future and participate in all progress made towards our common mission.

Stakeholder Engagement:

The staff at Cypress Elementary is fully committed to providing an educational environment that ensures academic improvement for all students. Even with the many challenges faced by our community, the staff continues to maintain communication, receive feedback and assist in offering support for our "customers", the students. We accomplish these goals by providing a wide variety of student services including : tutoring for at-risk students, developmental counseling programs , conflict resolution training, Character Education Substance Abuse Training , Child Assault Prevention, Career Development, development of study habits and Inclusion opportunities for ESE students. In addition, Cypress Elementary encourages parental involvement by providing opportunities for parent participation in all aspects of school operations including: employment at Cypress Elementary, Parent Inservices, EESAC, P.T.A. and through the many active student clubs and organizations. The School Climate Survey completed at the end of 2005-2006 by students, staff and parents rated our school as an A by all three stakeholder groups. Cypress Elementary currently has 440 cleared volunteers who assist our staff in maintaining and supporting the many quality school programs in operation. We also received the "Golden Volunteer School" award for the 29th year in May 2006. The large number of volunteers and employees with children at Cypress, further indicate satisfaction with a school climate that encourages an open environment where all stakeholders feel empowered to make suggestions for the benefit of our school community as evidenced by a 4.7 rating (question 3a) on the Organizational Performance Improvement Survey.

Faculty & Staff:

Cypress Elementary employs forty-four full-time staff members and twelve who are part-time staff members. Of this group, two are administrators, nineteen are general education classroom teachers, four are exceptional educational teachers, two are advanced academic teachers, three are foreign language/ESOL teachers, one guidance counselor,

five special area teachers, two classroom paraprofessionals, five custodians, five clerical workers and six cafeteria personnel. Of the teaching staff, 6.2 percent are new to this school with the average length of time teaching in Florida being fifteen years. The Teacher Mentoring Program consists of continuous support and targeted inservice to improve classroom curriculum delivery. Positive support is offered through the identification of a mentor teacher and also through the scheduling of common grade group planning sessions to assist teachers in identifying, monitoring and implementing required instructional strategies and programs. Targeted inservice is initiated through the mutual development of the State required Professional Development Plan. This plan lists specific training objectives linked to identified student needs and professional development activities. The plan is evaluated at the end of each year using all available data to determine the impact and success of the individual's Professional Development Plan. The results of the staff survey indicate an overall OPIS score of 4.7. This evaluation is reflective of an overall working climate that is one that fosters continuous individual and team improvement in a safe environment for all staff members.

Data/Information/Knowledge Management:

The school-wide improvement model used at Cypress Elementary is the Continuous Improvement Model (CIM) that consists of an eight step process: 1. Data Disaggregation 2. Timeline Development 3. Instructional Focus 4. Assessment 5. Tutorials 6. Enrichment 7. Monitoring 8. Maintenance. It encompasses Best Practices, provides for frequent monitoring of performance, bases instructional decisions on available data and ensures that the educational needs of all NCLB subgroups are addressed.

This model of school-wide improvement provides a framework for making all decisions regarding Budget, Professional Development, Instructional Materials, Technology, Student Support Services, School Safety and Discipline Initiatives. The EESAC, Curriculum Council, P.T.A. and School Leadership Team cooperatively evaluate and reach consensus on issues impacting student achievement. This team planning data driven approach affects all facets of school operations and provides for a seamless, structured and focused allocation of monetary and human resources.

Education Design:

Cypress Elementary offers extended learning opportunities including: a Before and After Care Program that provides homework assistance, tutoring for at risk students, art and Physical Education programs as well as opportunities for parents to use the school media center after hours through the "Family Reading Circle."

Cypress Elementary also provides a Summer Camp through which students participate in a variety of activities designed to support "year-long" learning and establish a strong connection between the school and community. The Cypress Elementary Parent Teacher Association and Cypress Elementary Staff plan and coordinate P.T.A. meetings to include extended learning activities for parents with presentations on curricular issues, community concerns and available community resources available to assist them in supporting their children academically and socially.

Cypress Elementary sponsors clubs and organizations that provide varied and extended learning opportunities for students. These include: Drama Club, Future Educators of America, Chorus, Photography Club, Safety Patrols, Student Council and Morning Announcements Club.

Cypress Elementary is committed to adhering to all requirements and commitments made by our District in support of positively sustaining our Post Unitary status .

Performance Results:

Cypress Elementary has been named an A school for six consecutive years and has met the "No Child Left Behind" requirements for the 2003-2004, 2004-2005 and 2005-2006 school years. The school was recognized by the State of Florida as one of the top 100 schools in the state and teachers were awarded performance pay for the 2005-2006 school year. Cypress Elementary was one of 17 elementary schools in Miami-Dade County to receive this performance pay bonus given for student achievement and high learning gains. Our performance results indicate that our focus on academic achievement, critical thinking skills, inclusionary practices, attendance and parental involvement has produced increased student achievement. The performance planning process is impacted by budget constraints, testing results, the School Improvement Plan objectives and staffing strengths. These results also establish benchmarks that impact the content of Professional Development Plans, Performance Plans, Exceptional Student Individual Education Plans and Gifted Education Plans. This structured and targeted approach to the performance planning process further enables Cypress Elementary to provide for the individual needs of all students including at-risk students and subgroups designated by the "No Child Left Behind Act".

GOAL 1: READING

Alignment of Objective to the Florida Department of Education and the District Strategic Plan

Florida Education Priorities

(1000.3(5)(a)-(f), F.S.)

Learning and completion at all levels, including increased high school graduation and readiness for postsecondary education	Student Performance	Alignment of Standards and Resources	Educational Leadership	Workforce Education	Parental, Student, Family, Educational Institution, and Community Involvement
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Miami-Dade County Public Schools

District Strategic Plan

Ensure achievement of high academic standards by all students.	Develop our students so that they are able to successfully compete in the global economy.	Actively engage family and community members to become our partners in raising and maintaining high student achievement.	Reform business practices to ensure efficiency, effectiveness and high ethical standards.	Recruit, develop and retain high-performing, diverse, and motivated faculty and staff.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

GOAL 1 STATEMENT:

Cypress Elementary students will make annual learning gains sufficient to acquire the skills, knowledge, and competencies needed to master State standards in the area of reading.

Needs Assessment

Scores on the 2006 FCAT Reading Sunshine State Standards Test indicate that 81 percent of students in grades three through five scored at or above FCAT Achievement Level 3, mastery level. Additionally, 69 percent of students with disabilities scored above the state mastery level, an increase of 11 percent as compared to the 2005 administration. These results indicate that the reading objectives/strategies used were successful but should be enhanced to continue increasing performance of the NCLB subgroups and address the strands of Words /Phrases and Reference/Research.

NCLB SUBGROUP TARGET

TOTAL	WHITE	BLACK	HISPANIC	ASIAN	NATIVE AMERICAN	F/R LUNCH	LEP	SWD	LEVEL I	LOWEST 25%	OTHER	GRADUATION RATE
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Measurable Objective

Given instruction using the Sunshine State Standards, students in grades three through five will increase or maintain their reading skills as evidenced by 82 percent of students scoring at achievement level 3 or higher.

Action Steps

STRATEGIES	PERSONS RESPONSIBLE (Identify by titles)	TIMELINE		ALIGNMENT	BUDGET
		START	END		
Implement the Accelerated Reading Program integrating Literature based reading and technology to further strengthen the clusters of Words/Phrases and Reference/Research.	Teachers Media Specialist Reading Leader	8/14/2006	5/11/2007	District-wide literacy plan	\$0.00
Implement the Comprehensive Research-Based Reading/Literacy Plan to improve achievement of at-risk students and maintain high performance of students at Level 3 or above.	Teachers Reading Leader	8/14/2006	5/11/2007	District-wide literacy plan	\$0.00
Administer all state and district mandated assessments including Dibels, District Interim Reading Assessments, ESE Alternative Assessments and Tutorial Programs and input scores using the PMRN monitoring system using the Continuous Improvement Model to analyze data to target instruction.	Teachers Reading Leader	8/14/2006	5/11/2007	District-wide literacy plan	\$2000.00
Provide opportunities for additional reading support to Grade K- 5 at-risk students in the "Reading Immediate Intensive Intervention" program and after school tutoring programs through the use of Voyager, Learning Today, Early Success, Soar To Success and Riverdeep programs.	Assistant Principal Teachers Aides assigned to tutor	8/18/2006	5/11/2007	Inclusion	\$10000.00
Provide instructional staff with CRISS inservice training to further provide strategies to strengthen the content clusters of Words/Phrases and Reference/Research incorporating data analysis strategies using the Continuous Improvement Model to target instruction.	Teachers Media Specialist Reading Leader	8/14/2006	5/11/2007	Small Learning Communities	\$500.00

Research-Based Programs

The research-based core-reading program at Cypress Elementary is Houghton Mifflin.

Professional Development

The following Professional Development Opportunities will be provided to the Cypress Elementary staff:

CRISS Strategies For Improvement

Technology Training: Voyager, Learning Today, Riverdeep

Data Retrieval and Use in Planning Instructional Strategies

Alternative Assessment for ESE Students

Houghton Mifflin Staff Development for Reading

Reading Intervention Training in Early Success and Soar to Success.

Evaluation

2006-2007 Reading FCAT

District Interim Reading Assessments

Tutorial Evaluations

GOAL 2: MATHEMATICS

Alignment of Objective to the Florida Department of Education and the District Strategic Plan

Florida Education Priorities

(1000.3(5)(a)-(f), F.S.)

Learning and completion at all levels, including increased high school graduation and readiness for postsecondary education	Student Performance	Alignment of Standards and Resources	Educational Leadership	Workforce Education	Parental, Student, Family, Educational Institution, and Community Involvement

Reform business practices to ensure efficiency, effectiveness and high ethical standards.	Recruit, develop and retain high-performing, diverse, and motivated faculty and staff.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

GOAL 3 STATEMENT:

Cypress Elementary students will make annual learning gains sufficient to acquire the skills, knowledge, and competencies needed to master State standards in the area of writing.

Needs Assessment

Scores on the 2006 FCAT Writing Test indicate that 81 percent of students in grade four scored at or above a combined rubric score of 3.5. Continued use of expository writing strategies are recommended with 91 percent of the tested students scoring at 3.5 or above. Additional instructional strategies/programs should be incorporated to address the decline of narrative writing scores from 88 percent scoring at 3.5 in 2005 to 68 percent scoring at 3.5 and above in 2006.

NCLB SUBGROUP TARGET

TOTAL	WHITE	BLACK	HISPANIC	ASIAN	NATIVE AMERICAN	F/R LUNCH	LEP	SWD	LEVEL I	LOWEST 25%	OTHER	GRADUATION RATE

<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

GOAL 4 STATEMENT:

Cypress Elementary students will make annual learning gains sufficient to acquire the skills, knowledge, and competencies needed to master State standards in the area of Science.

Needs Assessment

The 2006 science scores indicate that 42 percent of the students scored at Level 3 or higher. The M-DCPS pacing document and the use of the School Improvement Zone (SIZ) Science pre test and monthly assessments will assist in identifying additional areas in need of remediation to increase the percentage of students scoring at a Level 3 or above the content clusters of Earth and Space Science and Scientific Thinking.

Measurable Objective

Given instruction using the Science Sunshine State Standards, 50 percent of the students will score at Level 3 or above on the 2007 FCAT Science test.

Action Steps

STRATEGIES	PERSONS RESPONSIBLE (Identify by titles)	TIMELINE		ALIGNMENT	BUDGET
		START	END		
Increase project-based learning across the curriculum with a focus on higher order thinking skills and maximize the use of the school's technology resources to achieve these goals.	Principal Teachers Media Specialist	8/15/2006	5/18/2007	Academic Teams	\$0.00
Provide access and information to parents regarding web-based technology resources available to at-risk students on	Media Specialist Reading Leader	10/3/2006	5/18/2007	Mentoring Opportunities	\$0.00
Provide staff professional development to sequence instructional science objectives to ensure vertical coverage from K-5th grade through the use of District provided pacing and sequencing guides.	Teachers	8/28/2006	5/18/2007	Continuous Improvement Model	\$0.00
Implement the FOSS (Full Option Science System) correlating projects with the Sunshine State Standards and the Pre/Post School Improvement Zone monthly assessments.	Teachers	8/14/2006	5/18/2007	Continuous Improvement Model	\$0.00
Correlate data with grade level competencies and use the Continuous Improvement Model to determine appropriate instructional strategies to increase performance of at-risk students and maintain high performance standards of students scoring at Level 3 or above.	Teachers Curriculum Leadership Team	8/14/2006	5/18/2007	Small Learning Communities	\$0.00

Research-Based Programs

The Research-Based Science Programs used at Cypress Elementary are Harcourt Brace Science and FOSS (Full-Option Science System).

Professional Development

Professional Development Opportunities will be provided to the staff at Cypress Elementary in the following areas:

Science FCAT Simulation Training/TEST TOOLS INC.

FOSS (Full-Option Science System)

District provided pacing/sequencing guides

Evaluation

2007 FCAT Science test

School Improvement Zone PreTest and Monthly Assessments

GOAL 5: PARENTAL INVOLVEMENT

Alignment of Objective to the Florida Department of Education and the District Strategic Plan

Florida Education Priorities

(1000.3(5)(a)-(f), F.S.)

Learning and completion at all levels, including increased high school graduation and readiness for postsecondary education	Student Performance	Alignment of Standards and Resources	Educational Leadership	Workforce Education	Parental, Student, Family, Educational Institution, and Community Involvement
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Miami-Dade County Public Schools

District Strategic Plan

Ensure achievement of high academic standards by all students.	Develop our students so that they are able to successfully compete in the global economy.	Actively engage family and community members to become our partners in raising and maintaining high student achievement.	Reform business practices to ensure efficiency, effectiveness and high ethical standards.	Recruit, develop and retain high-performing, diverse, and motivated faculty and staff.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

GOAL 5 STATEMENT:

Cypress Elementary will meet or exceed the number of school volunteers sufficient to satisfy the State and district standards in the area of parental involvement.

Needs Assessment

Cypress Elementary has received the Golden Volunteer Award for the past 29 years. Due to this high level of parental involvement, the school has improved as indicated by steadily improving SAT and FCAT scores. The number of cleared volunteers increased from 119 in May of 2005 to 340 in May of 2006. This improvement will continue by increasing the number of hours served by our volunteers during the 2006-2007 school year. As a result, more support will be given to the instructional staff and provide a cadre of volunteers who can assist in improving the educational services offered at Cypress Elementary.

Measurable Objective

Cypress Elementary will maintain or increase the number of volunteer hours documented by school volunteers as evidenced by 2006-2007 Volunteer Log Sheets and qualifying for the Golden Volunteer Award for 2006-2007.

Action Steps

STRATEGIES	PERSONS RESPONSIBLE (Identify by titles)	TIMELINE		ALIGNMENT	BUDGET
		START	END		
Provide on-going volunteer orientations to train parents in the volunteer registration and participation procedures.	Assistant Principal Volunteer Liaison	9/13/2006	5/11/2007	Community Partnerships	\$0.00
Match volunteers with staff members to assist with classroom projects.	Assistant Principal Volunteer Liaison	8/14/2006	5/11/2007	District Strategic Plan	\$0.00
Enlist parent volunteers to participate as presenters for the 2006-2007 Career and Shadow Day activities. (National P.T.A. Standard #IV)	Counselor	11/1/2006	12/1/2007	School-to-Career	\$0.00
Recognize volunteers for their service by recognition letters published in the "Cougar Growl" newsletter and the Cypress Elementary website. (National P.T.A. Standard #I)	Principal Dept. Chair	8/8/2006	5/26/2007	Community Partnerships	\$0.00
Enlist parent volunteers to assist in special events and activities at Cypress Elementary including Family Fun Night, P.T.A Meetings, and Field Trips. (National P.T.A. Standard #VI)	Principal Teachers	8/14/2006	5/11/2007	Community Partnerships	\$0.00

Professional Development

The following Professional Development Opportunities/Inservice will be provided to the staff at Cypress Elementary:

Volunteer Procedures

FERPA Guidelines and Confidentiality

Americans with Disabilities Guidelines

Miami-Dade County Public Schools' Acceptable Use Policy

Safety/Crisis Procedures

Evaluation

This objective will be evaluated based on the District's guidelines/criteria for the Golden Volunteer School Award and the Volunteer Log sheets.

GOAL 6: DISCIPLINE & SAFETY

Alignment of Objective to the Florida Department of Education and the District Strategic Plan

Florida Education Priorities

(1000.3(5)(a)-(f), F.S.)

Learning and completion at all levels, including increased high school graduation and readiness for postsecondary education	Student Performance	Alignment of Standards and Resources	Educational Leadership	Workforce Education	Parental, Student, Family, Educational Institution, and Community Involvement
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Miami-Dade County Public Schools

District Strategic Plan

Ensure achievement of high academic standards by all students.	Develop our students so that they are able to successfully compete in the global economy.	Actively engage family and community members to become our partners in raising and maintaining high student achievement.	Reform business practices to ensure efficiency, effectiveness and high ethical standards.	Recruit, develop and retain high-performing, diverse, and motivated faculty and staff.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

GOAL 6 STATEMENT:

As Cypress Elementary students master appropriate social and behavior skills, the percentage of indoor/outdoor suspensions for the year 2006-2007 will decrease.

Needs Assessment

Cypress Elementary records indicate that 5 indoor suspensions and 2 outdoor suspensions (1.5) percent of school's population, (7 students) occurred during the 2005-06 school year. This data indicates that although we decreased the percentage of suspensions by 50 percent, it is still necessary to further implement behavior modification strategies to decrease the percentage of indoor and outdoor suspensions due to chronic behavior problems.

Measurable Objective

Given the impact that appropriate discipline and safety have on student achievement, Cypress Elementary will decrease the percent of 2006-2007 indoor/outdoor suspensions to .62 percent.

Action Steps

STRATEGIES	PERSONS RESPONSIBLE (Identify by titles)	TIMELINE		ALIGNMENT	BUDGET
		START	END		
Provide inservice to School staff on research based programs that provide: violence and substance abuse prevention, anger management skills, decision-making skills, conflict mediation skills, and diversity/sensitivity education.	Counselor Teachers	8/14/2006	5/18/2007	Communities of Practice	\$0.00
Implement monthly Character Education activities.	Counselor Teachers	8/14/2006	5/18/2007	Career Development Programs	\$0.00
Implement small group instruction in Peer Conflict Resolution strategies.	Counselor Teachers	8/14/2006	5/18/2007	Inclusion	\$0.00
Conduct a Code of Conduct orientation and review sessions for staff and students.	Principal Assistant Principal Teachers	10/3/2006	5/18/2007	Transition and Articulation Programs	\$0.00
Implement the Cypress Elementary's in house "Keep Us Safe" procedures.	Principal Teachers P.E. Coach - Randolph Rice	8/14/2006	5/18/2007	District Strategic Plan	\$0.00

GOAL 7: TECHNOLOGY

Alignment of Objective to the Florida Department of Education and the District Strategic Plan

Florida Education Priorities

(1000.3(5)(a)-(f), F.S.)

Learning and completion at all levels, including increased high school graduation and readiness for postsecondary education	Student Performance	Alignment of Standards and Resources	Educational Leadership	Workforce Education	Parental, Student, Family, Educational Institution, and Community Involvement
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Miami-Dade County Public Schools

District Strategic Plan

Ensure achievement of high academic standards by all students.	Develop our students so that they are able to successfully compete in the global economy.	Actively engage family and community members to become our partners in raising and maintaining high student achievement.	Reform business practices to ensure efficiency, effectiveness and high ethical standards.	Recruit, develop and retain high-performing, diverse, and motivated faculty and staff.
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

GOAL 7 STATEMENT:

Cypress Elementary staff will infuse technology into all aspects of the curriculum to enable the students to complete four critical thinking project based learning units per grade level.

Needs Assessment

Summary Needs Assessment Results:

Given the need to enable our students to compete in the global society, the students will use the computer lab and classroom computers to gain technology literacy as stated in the I.S.T.E. Technology national standards. This proficiency will help the students increase their achievement in all curriculum areas. Using the Co-nect model for technology integration across the curriculum, this objective will further increase each student's critical thinking skills and will also enable the students to critically evaluate multiple data sources.

Measurable Objective

Given school wide emphasis on technology and project-based learning, each grade level will use long range plans, integrated with technology, to complete four project-based learning units per grade level as documented by the teachers' Project Completion Log.

Action Steps

STRATEGIES	PERSONS RESPONSIBLE (Identify by titles)	TIMELINE		ALIGNMENT	BUDGET
		START	END		
Share information and demonstrate best practices regarding the integration of technology across the curriculum.	Teachers	8/14/2006	5/18/2007	Small Learning Communities	\$0.00
Increase project based learning activities across the curriculum with a focus on higher order thinking skills to maximize use of the school's technology resources.	Teachers	8/14/2006	5/18/2007	Continuous Improvement Model	\$0.00
Provide parents information and web-based student resources in conjunction with P.T.A. meetings.	Reading Leader Media Specialist	9/13/2006	5/18/2007	Continuous Improvement Model	\$0.00
Increase student achievement and technology proficiency through the use of recommended online resources.	Teachers Media Specialist	8/14/2006	5/30/2007	District Strategic Plan	\$0.00
Use computers as an integral part of classroom learning incorporating a wide variety of programs for students to generate and present project work, as well as access and track academic progress.	Teachers Media Specialist	8/14/2006	5/18/2007	Continuous Improvement Model	\$0.00

<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

GOAL 8 STATEMENT:

Breakfast provides students with an optimal beginning to their school day and will positively impact the students' learning environment. Cypress Elementary is committed to providing health and fitness strategies to encourage life long healthy eating habits.

Needs Assessment

Twenty-nine percent of the Cypress Elementary students were accessing the Free Breakfast Program during the 2005-2006 school year. After careful analysis, we determined that it would be beneficial for more students to access this program. Cypress Elementary will promote the importance of breakfast and educate the students on healthy eating habits.

Measurable Objective

Given a societal emphasis on the importance of good health and fitness, Cypress Elementary will increase the percentage of students eating free breakfast to 31 percent during the 2006-2007 school year as evidenced by statistics from the Cafeteria Managers' Yearly Participation Report # T0960850.

Action Steps

STRATEGIES	PERSONS RESPONSIBLE (Identify by titles)	TIMELINE		ALIGNMENT	BUDGET
		START	END		
Educate the parents and staff on the importance and necessity of eating breakfast to promote optimal academic achievement.	Teachers	8/14/2006	5/30/2007	District Strategic Plan	\$0.00
Invite members of the health and fitness community to participate in 2006-2007 Career Day activities.	Counselor	11/1/2006	12/15/2007	School-to-Career	\$0.00
Provide information and resources to parents to reinforce and establish life long health habits and fitness.	Cougar Growl Editor Principal	8/14/2007	5/18/2007	District Strategic Plan	\$0.00
Make student-developed presentations on opening exercises to promote healthy eating habits and the importance of eating breakfast.	Teachers/ Counselor	10/3/2006	5/30/2007	District Strategic Plan	\$0.00
Promote and advertise the opportunity for students to receive free breakfast.	Cougar Growl Editor Principal	8/14/2006	5/30/2007	District Strategic Plan	\$0.00

GOAL 9: ELECTIVES & SPECIAL AREAS

Alignment of Objective to the Florida Department of Education and the District Strategic Plan

Florida Education Priorities

(1000.3(5)(a)-(f), F.S.)

Learning and completion at all levels, including increased high school graduation and readiness for postsecondary education	Student Performance	Alignment of Standards and Resources	Educational Leadership	Workforce Education	Parental, Student, Family, Educational Institution, and Community Involvement
<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Miami-Dade County Public Schools

District Strategic Plan

Ensure achievement of high academic standards by all students.	Develop our students so that they are able to successfully compete in the global economy.	Actively engage family and community members to become our partners in raising and maintaining high student achievement.	Reform business practices to ensure efficiency, effectiveness and high ethical standards.	Recruit, develop and retain high-performing, diverse, and motivated faculty and staff.
<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

GOAL 9 STATEMENT:

Participation in electives improves self-esteem and enhances critical/creative thinking. Cypress Elementary students will participate in a variety of electives that provide an outlet to expand and develop their talents

Needs Assessment

Thirty-three percent of the eligible student body participated in elective activities during the 2005-2006 school year. Research indicates that participation in electives/clubs/organizations increases student achievement and encourages positive student behavior and an increased sense of self-worth. Student participation in such activities also provide a sense of community that enriches any school setting. Parental involvement is positively impacted and increases the parents' confidence in school operations and participation in all school events.

Measurable Objective

Given the emphasis in providing opportunities for growth in creative and critical thinking, Cypress Elementary will increase to 35 percent the percentage of eligible students participating in extracurricular activities as evidenced by 2006-2007 club participation rosters.

Action Steps

STRATEGIES	PERSONS RESPONSIBLE (Identify by titles)	TIMELINE		ALIGNMENT	BUDGET

GOAL 10 STATEMENT:

Cypress Elementary will increase the FLorida Department of Education ROI ranking from 42 percent in 2004-2005 to 46 percent in 2005-2006.

Needs Assessment

The most recent data supplied from the FLDOE indicate that in 2004, Cypress Elementary ranked at the 42nd percentile on the State of Florida ROI index.

Measurable Objective

Cypress Elementary will improve its ranking on the Florida Department of Education ROI index publication from the 42nd percentile in 2004-2005 to the 46th percentile on the next publication of the index.

Action Steps

EESAC Compliance

YES	NO	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<p><i>The majority of the Board of Directors/EESAC members are not employed by the school. The Board of Directors SAC is composed of the principal, and an appropriately balanced number of teachers, education support employees, students (for middle, junior high and high school only), parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school.</i></p>

Budget:

The EESAC receives periodic budget updates to provide them with the needed budgetary information to ensure that expenditures can be made as well as incorporating long-range planning goals for the 2006-2007 school budget.

Training:

The EESAC recommended that staff development throughout the 2006-2007 school year emphasize the Comprehensive Reading plan, FCAT teaching strategies and infusing Critical Thinking strategies throughout the curriculum.

Instructional Materials:

The EESAC recommended that instructional materials purchased throughout the year, as well as planned future purchases, be discussed at each EESAC meeting. It was the recommendation of the EESAC that all purchases be made with the goal of supporting the School Improvement Plan in a focused, organized manner to maximize our current budgetary resources.

Technology:

The EESAC recommended that Cypress Elementary continue to pursue the integration of technology into all areas of the curriculum. The EESAC has been instrumental in supporting this initiative by allocating EESAC funds to support the Technology program as well as providing suggestions for school improvement. The staff will continue to provide a project fair in May to showcase the project based-learning units completed by all students each school year.

Staffing:

The EESAC recommended that staffing concerns, allocations, and placements be discussed at each meeting to further assist the EESAC in making decisions to maximize student learning.

Student Support Services:

The EESAC recommended a continued focus on assisting at-risk, Special Education and economically disadvantaged students. These students will receive specialized assistance through tutoring programs provided during school and after school hours to maximize their achievement in math and reading.

Other Matters of Resource Allocation:

The EESAC recommended that the allocation of volunteers be used as a way of assisting students who are performing below grade level. The EESAC has taken a leadership role in recruiting additional volunteers and Dade Partners to contribute time and materials to support the School Performance Excellence Plan's strategies and objectives.

Benchmarking:

The Cypress Elementary EESAC has operated efficiently by developing, identifying and implementing programs that target student achievement. They have consistently supported, through the allocation of EESAC funds, School Recognition funds and volunteer assistance to fund and support all programs that target and improve student performance on all objectives of the School Improvement Plan. Through this focused cooperation among the EESAC, Curriculum Council and P.T.A, Cypress Elementary is able to efficiently operate and provide all students a rich social and academic environment.

School Safety & Discipline:

The EESAC included an objective to further reduce the number of indoor/outdoor suspensions during the 2005-2006 school year. Although, suspensions were 1.5 percent, the EESAC has recommended a further reduction to increase days spent receiving instruction from their teachers. The EESAC members have also been active participants on the CRISIS and Safety Committees, making suggestions for improvements regarding school safety and discipline issues.

Budget Summary

BY GOAL	TOTAL BUDGET
Goal 1: Reading	\$12,500.00
Goal 2: Mathematics	\$10,500.00
Goal 3: Writing	\$11,000.00
Goal 4: Science	\$0.00
Goal 5: Parental Involvement	\$0.00
Goal 6: Discipline & Safety	\$0.00
Goal 7: Technology	\$0.00
Goal 8: Health & Physical Fitness	\$0.00
Goal 9: Electives & Special Areas	\$0.00
Goal 10: Return On Investment	\$0.00
Total:	\$34,000.00
