# SCHOOL IMPROVEMENT PLAN EXECUTIVE SUMMARY

---

## *Meadowlane Elementary School*

---

Meadowlane Elementary is a pre-kindergarten through grade five school that is 97 percent Hispanic and has more than 1200 students. Eighty percent of the students are on free and reduced lunch. The school is located in a totally Hispanic working class community in the city of Hialeah. Most of the students live in rental apartments and townhomes.

Meadowlane offers to its students a reading/language arts gifted program, Academic Excellence Program, and tutoring programs. Parents and students also have the opportunity to participate in a hands-on learning computer lab.

Meadowlane Elementary presents the following school improvement objectives for the 2006-2007 school year:

Given instruction using the Sunshine State Standards, students in grades three through five will improve their reading skills as evidenced by 76% of the students scoring an FCAT Achievement Level of 3 or higher on the 2007 administration of the FCAT.

Given instruction using the Sunshine State Standards, students in grades three through five will improve their mathematics skills as evidenced by 77% of the students scoring FCAT Achievement Level 3 or higher on the 2007 administration of the FCAT.

Given instruction using the Sunshine State Standards, students in grade four will improve their writing skills as evidenced by 89% of students attaining a score of 3.5 or higher as measured by the 2007 FCAT Writing+.

Given instruction using the Sunshine State Standards, students in grade five will improve their science skills as evidenced by 52% of the students scoring FCAT Achievement Level of 3 or higher on the 2007 administration of the FCAT.

Given the emphasis on parental involvement, Meadowlane Elementary will increase parental involvement as evidenced by increased participation in parent workshops by three percent in 2006-2007 as compared to 2005-2006.

Utilizing the Positive Behavior Support model, Meadowlane will reduce the number of disciplinary referrals to administrators by 40%, as compared to last year's school in-house records of an average of 80 referrals per week.

Given an emphasis on the use of technology in education, all students will augment their usage of the SuccessMaker Program as evidenced by a 5% increase during the 2006-2007 school year as compared to the 2005-2006 school year.

Given instruction based on the M-DCPS mandated Fitness Gram standards, students in grade 4-5 will improve their running skills as evidenced by 50 percent of the students meeting high standards in running the one mile test on the 2006-2007 administration of the Fitness Gram Test.

Given that only 40 students are currently enrolled in the Academic Excellence Program, the number of participants will be increased by 10 percent during this school year, as evidenced by class attendance rosters.

Meadowlane Elementary School will rank at or above the 60th percentile state-wide in the ROI Index of value and cost effectiveness of its programs.

Based on the self-assessment that all employees completed, the two areas for improvement at Meadowlane Elementary are 1.) soliciting ideas from the faculty and 2.) improving the safety of the workplace. These two concerns were expressed in the Organizational Performance Improvement Snapshot. To improve these two targeted areas, the principal will invite faculty participation and EESAC ideas on school matters, including how to make the school safer.

## VISION

We are committed to provide educational excellence for all.

## MISSION

We provide the highest quality education so that all of our students are empowered to lead productive and fulfilling lives as lifelong learners and responsible citizens.

## CORE VALUES

### *Excellence*

We pursue the highest standards in academic achievement and organizational performance.

### *Integrity*

We build positive relationships through honesty, respect and compassion, which enhance the self-esteem, safety, and well-being of our students, families and staff.

### *Equity*

We foster an environment that serves all students and aspires to eliminate the achievement gap.

### *Citizenship*

We honor the diversity of our community by working as a team to ensure the educational success of all of our students and recognize that our obligations go beyond our professional responsibilities to promote democratic principles.

## Meadowlane Elementary School

### VISION

The vision of Meadowlane Elementary is to establish an educational partnership with the home, school, and community that provides students with an optimal learning environment.

### MISSION

Meadowlane Elementary will provide a learning community that maximizes the academic, creative and personal potential of all its students. In addition, we will provide an educational environment that bridges the gaps between textbook knowledge, practical application, and abstract thought, while inspiring and stimulation intellectual curiosity that will guide our learners throughout their lives.

### CORE VALUES

Meadowlane Elementary believes that:

- Every child has the potential to succeed
- Every educator has the ability to find and nurture the gifts and talents of our students
- By working together with parents and the community, our students achievement will be greatly enhanced.

## *School Demographics*

---

Meadowlane is a pre-kindergarten through grade five school that is 97 percent Hispanic, two percent White, one percent African-American and one percent Other. The school is located in a largely Hispanic working class community in the city of Hialeah. Most of the students live in rental apartments or townhomes. Meadowlane has more than 1200 students. Eighty percent of the students are on free and reduced lunch. Meadowlane Elementary is a Title I funded school.

Meadowlane was established in 1957 and is located at 4280 W. 8th Avenue, Hialeah, Florida. There are four main classroom buildings, one with four wings and two pods. These four major structures are augmented by three portables, a media center, a kindergarten building, and an office/cafeteria complex. Every classroom has a minimum of three computers with Internet access. The school also has its own server that supports SuccessMaker Enterprise (integrated learning system). The media center houses a closed circuit television system. There is one art room, one music room and one computer lab on the premises.

The school offers students an extensive after-school and Saturday program. Additionally, academically talented students have the opportunity to participate in chess and Academic Excellence classes. For the first time this year we are offering single-gender classes in fifth grade. Research shows that boys are more successful in reading and language arts when female students are not present. Likewise, girls are more successful in mathematics, science and technology when they are in single-gender classrooms. The computer lab is also available to both parents and students after school for enrichment and supplementary activities.

Meadowlane has excellent and dedicated teachers. We believe that our responsibility is to our students first and to the community and the society that we serve. We maintain a positive teaching and learning environment. The staff is comprised of 102 full-time staff members and 21 part-time staff members. Of this group, there are three administrators, 58 classroom teachers, five exceptional student teachers, two guidance counselors, 21 special teachers, 13 paraprofessionals, six clerical employees, seven custodians, 11 cafeteria workers, and three security monitors. The composition of the staff is 16% white, 11% black, and 73% Hispanic. Thirty-seven percent of the teachers have a Masters Degree, 6% have an Educational Specialist Degree, 1% has a Doctorate Degree, and the remaining 56% have Bachelors Degrees.

## ***Leadership:***

According to the findings of the Organizational Performance Improvement Snapshot, the leadership of Meadowlane Elementary is strong in setting direction for the school and in sharing the mission and vision, as evidenced by an average score of 4.3. The principal creates a positive working environment and involves his employees in the operation of the school. The administrative team is knowledgeable about scientifically-based research and practice on teaching and learning, and they are the driving force in increasing student academic achievement. Their experience as educators and leaders is recognized in the results of the Organizational Performance Improvement Snapshot.

## ***District Strategic Planning Alignment:***

Meadowlane employees are involved in the development of the goals and objectives of the school. The Organizational Performance Improvement Snapshot reveals an average score of 4.1 which shows that the staff feels that the strategic planning process includes an analysis of regulatory and legal requirements, consistent with state and District goals, and that the work location's strategic objectives are supported by action plans that include timelines and resource allocations, including personnel.

## ***Stakeholder Engagement:***

Parents and students at Meadowlane are highly satisfied with their level of engagement. The average score in this category of the OPI Survey is 4.4. The work location scored high in communicating the needs of present and future stakeholders. Customer satisfaction is determined through parent surveys, participation in parent workshops, and by the daily interaction of the Community Involvement Specialist with the parents and students. Parents are also able to communicate their needs by visiting our Parent Resource Center.

## ***Faculty & Staff:***

Meadowlane takes a team approach to the overall function of the school. Employees collaborate to accomplish Meadowlane's strategic objectives. The Organizational Performance Improvement Snapshot reveals that the work location promotes a work environment that supports professional growth, safety, satisfaction, and motivation for all of its employees. The average score of 4.2 shows the feelings of the staff.

## ***Data/Information/Knowledge Management:***

Meadowlane utilizes data to monitor the progress of its employees and school functions. The average score on the OPI Survey in this category is 4.5. Data-driven decision making is stressed in trainings provided at grade level meetings. Test results and comparison data determine the appropriateness of the educational materials and the technology that is used.

## ***Education Design:***

Meadowlane manages the key processes of the school to maximize growth and achievement. Some specific opportunities are provided through extended learning programs after school and on Saturdays, computer lab use,

mentoring and paraprofessional assistance. Applying the Eight-Step Continuous Improvement Model, FCAT results are utilized to adjust services provided according to the areas in need of improvement. The average score on the OPI Survey in this category is 4.3.

***Performance Results:***

Our work location is quite effective in improving performance results as revealed by a score of 4.3 on the OPI Survey. Employees who responded to the Organizational Performance Improvement Snapshot believe that Meadowlane excels in reporting product and service performance results. This process has positively impacted student achievement.

### **Needs Assessment**

Results of the 2006 FCAT Reading test indicate that 75 percent of students in grades three through five are reading at or above grade level as compared to 73 percent of students the previous year. Sixty-seven percent of students made a year's worth of progress in reading and 71 percent of struggling students made a year's worth of progress. All subgroups met adequate yearly progress. According to 2006 Stanford Achievement Test 2nd grade reading results, students who are now in the 3rd grade need to improve in main idea. Based upon the 2006 grade 3 reading data results, students who are now in the 4th grade need to improve in Main Idea/Purpose and Comparisons. The 2006 4th grade reading data shows that students who are now in 5th grade need to improve in Reference/Research and Comparisons.

**GOAL 5 STATEMENT:**

Meadowlane Elementary will increase communication with parents.

**Needs Assessment**

Last school year 1835 parents attended seminars and meetings at Meadowlane. Our goal is to increase this number. This school year, our plans include providing parent workshops/meetings on the following topics: Title I Orientation/Open House, Making Reading Fun, FCAT Reading, FCAT Mathematics, Test Taking Skills, Science Fair Information, and Children with ADHD. The use of sign-in sheets will indicate the degree of participation. We will further assess desirable topics by administering a parent needs survey to learn what the parents would like. We will continue sending home frequent letters and flyers in English and in Spanish to inform the parents about school policies and events and to invite their involvement in the education of their children. School climate surveys will reveal further needs.

## Measurable Objective

Given the emphasis on parental involvement, Meadowlane Elementary will increase parental involvement as evidenced by increased participation in parent workshops by three percent in 2006-2007 as compared to 2005-2006.

**GOAL 6 STATEMENT:**

The goal of Meadowlane Elementary is to decrease the number of disruptive students sent to the office by classroom teachers.

**Needs Assessment**

Currently, the weekly average number of students who are referred for disrupting the educational process is 50.

## Measurable Objective

Utilizing the Positive Behavior Support model, Meadowlane will reduce the number of disciplinary referrals to administrators by 40%, as compared to last year's school in-house records of an average of 80 referrals per week.

**GOAL 7 STATEMENT:**

Meadowlane Elementary will increase the use of technology in order to improve student achievement.

**Needs Assessment**

Usage reports show that student time spent on SuccessMaker can be increased. According to the SuccessMaker usage reports, the amount of time that students are actively engaged with the program correlates to their FCAT achievement.

## Measurable Objective

Given an emphasis on the use of technology in education, all students will augment their usage of the SuccessMaker Program as evidenced by a 5% increase during the 2006-2007 school year as compared to the 2005-2006 school year.

### ***GOAL 8 STATEMENT:***

Physical education provides students with the opportunity to attain their optimal level of fitness while participating in a continuous carefully planned program of developmentally age-appropriate physical activities.

### ***Needs Assessment***

The 2005-2006 Fitness Gram Test shows that 178 of the students tested achieved the Gold Standard while 252 students achieved the Silver Standard.

## Measurable Objective

Given instruction based on the M-DCPS mandated Fitness Gram standards, students in grade 4-5 will improve their running skills as evidenced by 50 percent of the students meeting high standards in running the one mile test on the 2006-2007 administration of the Fitness Gram Test.

**GOAL 9 STATEMENT:**

Meadowlane Elementary will increase enrollment in the Academic Excellence Program.

**Needs Assessment**

Results of the 2006 FCAT indicate that students who are involved in the Academic Excellence Program score higher because of their increased exposure to critical thinking skills. We will increase the amount of students participating in this program by 10 percent.

## Measurable Objective

Given that only 40 students are currently enrolled in the Academic Excellence Program, the number of participants will be increased by 10 percent during this school year, as evidenced by class attendance rosters.

**GOAL 10 STATEMENT:**

Meadowlane Elementary will achieve a high return on investment score of 58 percent.

**Needs Assessment**

The most recent data supplied from the FLDOE indicate that in the 2004-2005 school year, Meadowlane Elementary School ranked at the 52nd percentile on the state of Florida ROI Index.

## Measurable Objective

Meadowlane Elementary School will rank at or above the 60th percentile state-wide in the ROI Index of value and cost effectiveness of its programs.

## *EESAC Compliance*

---

YES	NO	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	<i>The majority of the Board of Directors/EESAC members are not employed by the school. The Board of Directors SAC is composed of the principal, and an appropriately balanced number of teachers, education support employees, students (for middle, junior high and high school only), parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the school.</i>

### ***Budget:***

The Educational Excellence School Advisory Council (EESAC) reviewed the school budget, offering recommendations as needed in support of the school's goals and objectives. For example, purchasing Voyager Passport and Soar to Success Programs was approved.

### ***Training:***

The EESAC collaborated with the administration to devise staff development activities to address the needs identified in the School Improvement Plan (SIP). For example, Smartboard training was made available to all teachers.

### ***Instructional Materials:***

The EESAC actively participated in the selection of instructional materials in support of those instructional goals outlined in the SIP. For example, Voyager Passport Program was secured for after school tutoring.

### ***Technology:***

The EESAC reviewed the technology objectives, offering recommendations as needed in support of the school goals. Additional teachers are receiving Smartboards in their classrooms due to the recommendations of the EESAC.

### ***Staffing:***

The EESAC collaborated with the administration to suggest staffing needs identified in the SIP. For example, a part-time security monitor was approved by EESAC.

### ***Student Support Services:***

The EESAC actively participated in the selection of student support services, where necessary, to augment the SIP. The EESAC facilitated utilizing Children's Psychiatric Center's services, via the counselors, to provide parents with on-going parenting skills workshops.

***Other Matters of Resource Allocation:***

The EESAC collaborated with the administration to secure funds in support of the SIP objectives. Consumable primary handwriting books were purchased.

***Benchmarking:***

The EESAC reviewed the benchmarking activities, offering recommendations as needed, in support of the school's goals and objectives. For example, members will examine DIBELS scores every nine weeks to ensure student progress.

***School Safety & Discipline:***

The EESAC allotted funds to hire security monitors.
